NCR SelfServ™ 22e

Compact Interior Freestanding Cash Dispenser

transact

Want to eliminate the time consuming and costly process of paying peddlers from a cash drawer?

Need to cut out all check fraud?

Looking for high transaction volume capacity in a compact footprint?

YES

Your Customers Wants Cash!

- **Redefined availability**

  With its compact footprint and reliable dispenser technology, the NCR SelfServ 22e can be deployed in more locations where space is at a premium or queues are long when it comes to pay-out time.

- **Informed manageability**

  NCR SelfServ 22e powered by EZcash provides best-in-class data for network management. Clear visibility to configurations, ATM statuses, transaction records, and the activity levels of each module results in more accurate, timely management decisions and operational excellence.

- **Committed responsibility**

  Low-energy LED lighting, fixed length receipts and a low-power, high-performance core processor are just some of the ways we've reduced the carbon footprint of NCR SelfServ 22e, making it a valuable asset in achieving the environmental goals for your business.

- **Intuitive usability**

  NCR SelfServ 22e has been designed to ensure that consumers and staff become experts after their very first use, resulting in better consumer satisfaction, operational efficiency and staff productivity.

- **Intrinsic security**

  Incorporating NCR's unique protected USB architecture, a range of anti-fraud and physical security solutions—NCR SelfServ 22e reduces fraud risk and maintains the integrity of your self-service channel for you and your customers.

NCR

transact

Why Tranact?

Transact Payment Systems, dba Tranact, was founded in 1996 with the goal to solve the difficult problems of cash management. Tranact has deployed hundreds of private closed loop ATMs for various industries and uses cases.

Reliable

Uses one-time use encrypted QR or Barcodes which eliminates the need to issue checks.

Can set an expiration on the code so it will not be able to pay out if not scanned within a certain time frame.
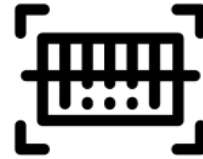

Secure

All cash is locked in a safe thus eliminating the availability of unsecured cash at your business.

Use of an armored car service creates a totally hands-off solution.

Why NCR?

With over 125 years of experience and with a wide area of service providers, NCR is a leading global provider of payments, assisted and self-service solutions. NCR has been the global number one manufacturer of ATMs for more than 27 consecutive years.
