

METACASH

2600 Cash Dispenser

High volume cash dispenser. Intelligent design

We designed the MetaCash 2600 to be simple, trouble free, easy to load and manage. We provide a unique, universal connectivity interface that allows it to work with any cash management application.

Available as either front or rear access, the MetaCash2600 is a durable, rugged, space saving machine that will help you become more accurate, reduce the amount of time spent counting and balancing, and provide additional protection of your cash. With it's sophisticated, ultra-quiet performance, it may just become your new best friend.

Speed transactions

Simplify end of day balancing

Automate vault buys

Reduce exposed cash

Ensure accuracy
